Fictional agreement generated for file-parsing tests. It is not legal advice, not a template to sign, and the parties, addresses and identifiers do not exist.

Scope

The Supplier will deliver booking setup for the Client. The work is time and materials against the not-to-exceed value above; the deliverable values below allocate that value and are not a separate fixed price.

Deliverables and acceptance criteria

Ref	Deliverable	Due	Allocation USD	Acceptance criteria
D1	Requirements and slot model	2026-08-12	800.00	Slot model reproduces the twenty-four published slots and the two cancellations.
D2	Configuration and integration	2026-09-02	2200.00	Bookings created in the tool appear in the register with matching identifiers.
D3	Acceptance testing and handover	2026-09-25	1000.00	Every acceptance test passes twice in a row and the handover note is signed.
	Not-to-exceed total		4000.00	

Acceptance

Acceptance runs under clause 5 of the master services agreement: ten business days to test against the criteria above, silence is acceptance, and each acceptance is recorded on a certificate.

Assumptions

Expenses are recharged under clause 4.1 up to 250.00 USD. The Client provides content and approvals within three business days of a request. A change to scope or value needs an amendment under clause 15.1.
