Resolved

That the instrument of transfer STOCK-TRANSFER-001, transferring 18,000 ordinary shares of 0.01 USD from Fictional founder C (MEM-03) to Fictional founder B (MEM-02), be registered with effect from 6 July 2026.

That share certificates SC-002 and SC-003 be cancelled and that certificates SC-005 and SC-006 be issued for the holdings as they then stand, being 180,000 shares and 60,000 shares respectively.

That the register of members be updated accordingly. The transfer does not change the 600,000 shares in issue or the 20,400.00 USD paid up on them; it moves 180.00 USD of paid-up capital between two members.
