Juniper Workspace Cloud Limited, fictional resolution for parser testing

Resolution	WR-2026-01
Type	written resolution of the members
Company	Juniper Workspace Cloud Limited (FC-00847213)
Circulation date	4 May 2026
Date passed	11 May 2026
Voting shares in issue at circulation	540,000
Shares voting in favour	462,000, 85.5556 percent
Threshold	more than half the voting shares, articles clause 6.1

Fictional corporate record generated for file-parsing tests. The company, its number, its officers and its members do not exist and nothing here is filed anywhere.

Resolved as an ordinary resolution

That the directors be authorised to allot up to 60,000 ordinary shares of 0.01 USD at a price of not less than 0.25 USD per share, and that the pre-emption rights of existing members be disapplied for that allotment only.

How the threshold was met

Member	Shares at circulation	Voted in favour	Percent of voting shares
MEM-01 Fictional founder A	300,000	yes	55.5556
MEM-02 Fictional founder B	162,000	yes	30.0000
MEM-03 Fictional founder C	78,000	no response	14.4444
Total in favour	462,000		85.5556

85.5556 percent is more than half the voting shares, so the resolution passed on the date the second signature was received. MEM-04 held no shares at circulation and did not vote.
