

Course fees, autumn 2026

Fieldnote Learning Centre | published 2026-09-08 | all amounts USD

Fees are payable in full before the first session. A learner whose net fee after any bursary exceeds 250.00 may pay in two equal instalments. Registration is charged once per enrolment and is not refundable once the first session has been attended.

Fees

Course	Name	Tuition	Materials	Registration	Total
COURSE-1	Spreadsheet basics	240.00	35.00	25.00	300.00
COURSE-2	Customer service	280.00	45.00	25.00	350.00
COURSE-3	Workshop safety orientation	180.00	20.00	25.00	225.00

Bursaries

Bursaries are awarded as a percentage of the total fee or as a fixed amount. A fixed award is applied to the learner's earliest enrolment in the period and is capped at the fee for that enrolment; it is never carried to a second course and never produces a credit.
